Education

University of California, Los Angeles — **Los Angeles, CA**
B.A., Economics | GPA: 3.78 — *Expected: 06/27*

University of California, Merced — **Merced, CA**
Coursework toward B.S. in Business Management and Economics; transferred to UCLA — *Aug 2023 - May 2025*

Study Abroad in London — **London, UK**
Business and Economics, London program through UCEAP — *Jan 2025 - Apr 2025*

Professional Experience

SponsorPair, Inc. — **Los Angeles, CA**
CEO & Co-Founder — *Apr 2026 - Present*

- Co-founded a two-sided marketplace connecting creators and businesses for brand deals; set product vision, long-range planning, and roadmap for a 6-person team across product, marketing, and sales from UCLA and UC Berkeley.
- Built MVP in 2 weeks by leading daily team meetings and running 100+ user interviews with creators and SMBs in LA, prioritizing 5 core features comprising profiles, job listings, filtering, payment processing, and contract generation.
- Designed a creator reliability score, auto-generated deal contracts, and dashboards, connected and stored data in SQL.
- Acquired 45 businesses in the first month by managing an outreach team, converting 20% of businesses contacted.
- Built financial models and pitch decks; pitched Startup Labs, UCLA's student-run accelerator, BAM Ventures, co-founded by Brian Lee, and an angel investor, earning selection for Startup Labs and landing follow-up meetings with both investors.

Viability — **London, UK**
Business Development and Sales Intern — *Jan 2025 - Apr 2025*

- Identified onboarding friction through daily PostHog analysis of funnels, session recordings, and retention; partnered with engineering on UI fixes that cut steps to a first site report from 32 to 6 and report generation time by 58%.
- Sized the UK addressable market by conducting site walks and using AI-assisted coding to build a tool that parsed the UK government's public business registry into a filterable list of 18,000 target businesses with contacts.
- Analyzed supply chain bottlenecks for clients and performed business case research to the CEO, informing key strategic decisions to raise subscription prices and target medium-sized developers in rural UK.
- Partnered with contractors, architects, engineers, consultants, and property managers to develop project cost tracking, financial models, environmental impact, and project manufacturing for a London based property-tech startup.

Hooked Coffee — **San Francisco, CA**
Marketing & Operations Intern — *Jul 2024 - Oct 2024*

- Researched and qualified 200+ Bay Area café, hotel, Airbnb and office leads, building a prioritized pipeline in HubSpot and handling outreach that led to ~20 CEO meetings.
- Monitored inventory levels and conducted continuous improvement initiatives by developing an internal inventory tracking dashboard for the company.
- Planned and hosted in-person tasting events for ~100 attendees and launched 5 email campaigns gathering customer feedback that shaped product offerings by prioritizing certain brand partnerships over others.

Associated Students of UC Merced — **Merced, CA**
Senator-at-Large — *Sept 2023 - May 2024*

- Won election to a Senator-at-Large seat with the most votes of all candidates, becoming the only freshman to hold the position.
- Evaluated ~50 funding requests from student organizations and helped allocate a $1M+ annual budget, prioritizing proposals by student impact, cost per attendee, and past spending.

UC Office of the President — **Merced, CA**
UC Global Food Initiative Fellow — *Jan 2024 - May 2024*

- Won a $6,000 UC Office of the President grant as UC Merced's sole student fellow by pitching a food sustainability research proposal to faculty.
- Distributed 2,000 lbs of produce in a single event by coordinating 20 student and staff volunteers.

Community Experience

180 Degrees Consulting at UC Merced — **Merced, CA**
Founder — *Sept 2023 - Dec 2024*

- Recruited and led a founding team through a multi-round application and interview process to establish UC Merced's first chapter of 180 Degrees Consulting, the world's largest student-run international consultancy.

Agriculture Club at UC Merced — **Merced, CA**
Founder & President — *Sept 2023 - Dec 2024*

- Partnered with 100+ California farmers and businesses leading to the implementation of locally sourced produce in one of our school's cafeterias and a free farmers' market for students and staff.
